

ASMPT export restrictions and customs

If the supplied goods are subject to export restrictions, it is necessary that you provide the export list number and US-ECCN on the delivery note and the invoice.

The Supplier undertakes to provide ASMPT with all customs-relevant product data free of charge and promptly upon request.

ASMPT custom number from 01.11.2024

Customs no. (TIN) =	813998167212771	(ex 7146345)
